CASE No. 13

Event: Women's Skiff	Race: 4
Initiator: NOR	Respondent: RC
Protest details: We request a redress for race 4. We are scored BFD and believe we should be scored 2nd place. Both TV footage and tracking shows we are clearly behind the line. The TV footage also shows there are 61 seconds between the 1 minute signal and the start. Omega race analysis shows we are 5.1meters behind the line. Today our tracker was by the mast in the sail pocket as we got told by race officials.	
Procedural matters: - NOR represented by Helene Naess - RC represented by Miguel Amaral - Eirik Larsen (NOR) attended as observer - Pinar Coskuner Genc (PRO) attended the hearing as observer.	
Facts found: - For the starting sequence of race 4, the preparatory signal used was black flag. - In the last second before the starting signal, NOR crossed the starting line to its course side, and was then sailing in the triangle formed by the ends of the starting line and mark 1. - The starting signal was made 1 minute after the last minute flag was displayed. - NOR was identified by the race committee and scored BFD.	
Conclusion: - There was no error in the starting sequence. - NOR was correctly scored BFD. - There was no improper action of the race committee.
